ADDITIONAL TDL FEATURES

• Community Forum

Make friends, network with other designers, and get personalized artwork feedback and career guidance in our private forum.

• Member Webinars

Each month we host a member webinar where you can ask questions about your course materials or the textile design industry in general.

• Chelsea's Challenge

Need inspiration? Ready to test your design skills? Every two weeks we post a brand new design challenge!

• One Hour Challenges

Fun, bite-sized tasks that can be completed in just one hour. Find yourself in a design rut? Look here for quick ways to pull yourself out.

• Tech Talks

Curious about a specific skill? Interested in learning about a tool or type of software used in textile design? These posts are for you!

• Collection Reviews

One student collection is selected for review by each of our guest experts and their feedback is shared for the learning benefit of all TDL members.
